

EEP - ELDERLY ENHANCEMENT PROGRAM

The Elderly Enhancement Program offers mental health services and a variety of structured activities to enhance the quality of life for the elderly. Targeting the individual needs and unique challenges of the elderly, EEP seeks to provide a caring and supportive atmosphere that fosters the highest functioning level and greatest degree of independence possible.

Services include group therapy, individual therapy, family counseling, validation therapy and coping techniques as well as a variety of relational and comforting activities. Other services include pharmacy consultations and psychiatric consultations.
